Image Processing Assistant

Description:

Motion Metrics International is a fast growing high-tech company that provides advanced monitoring solutions to the mining industry. Our products apply machine vision and other sensor technologies. We are seeking an enthusiastic, hardworking assistant to aid with software related activities. Similar to a data-entry position, applicants should have high attention to detail, and ability to use computer software effectively to extract images from videos and carefully colour-code image portions according to instructions. The ideal candidate, will also work independently with limited guidance and communicate effectively with software developers to understand the requirements.

Responsibilities:

- Communicate effectively with team leads to acquire and understand the requirements for data entry
- Use software applications and good visual judgment to select frames from videos, and highlight and label various objects inside image frames
- Make necessary adjustments to the labeled images, or to the process of labeling related tasks
- Work comfortably with project-management web applications to track and manage assigned tasks in timely manner
- Switch between labeling tasks in order to maintain various data sets for the Deep Learning department

Required Skills

- Strong communication skills especially internally with team leads and colleagues
- Ability to operate with minimal supervision and with direction from multiple leads
- High attention to details; analytical thinking
- Exceptional time management and organizational skills
- Ability to work in a fast paced, deadline driven environment and to adapt to changing priority schedules
- Proficient in using Windows, MS office (Word, Excel, Outlook), Microsoft Paint
- High School diploma or post-secondary degree

Beneficial Skills

- Familiarity with Paint.Net, Adobe Photoshop, Adobe Illustrator
- Familiarity with one programming/scripting language (C++, C#, Python, Batch, Powershell)
- PC gaming

Motion Metrics International Corp offers a generous compensation package and benefits, as well as a fun and driven work environment and culture. Interested candidates please submit your resume with cover letter to careers@motionmetrics.com. Due to the high volume of applications we receive, only those selected for an interview will be contacted. Thank you.
